
Final Manuscripts Submission in Confy (EAI camera-ready system)

Before upload: Register for the conference

Please ensure that you have registered to the conference via the conference website in order to upload your camera-ready paper. Please register using the same email as the one to which you received your notification of acceptance, this is necessary to let us match your registration with your paper. At least one author per paper is required to pay the full member/non-member conference registration fee in order to publish their paper, also in cases where all authors are students. ICST membership is free of charge, please find more information [here](#). One registration may cover the publication of up to two papers of which the registrant is co-author.

Step 1: Login to Confy

1. Go to the Camera-ready Confy web site at <http://cameraready.eai.eu/>. Login using the email on which you received the acceptance notification. You may need to register ([using that same email](#)), and click on the confirmation link that you will receive to this email following registration. Alternatively, if you are already registered and forgot your password, please use the [Reset Password](#) function.
2. Once you have logged in, you may also go to [Edit Profile](#) at the top right and update your profile as needed, this step is not required.

Step 2: Enter Paper Details and Upload Manuscript

3. Once logged in you should see on the Home page a list of conferences, tracks and workshops to which you have been accepted. Select from the list the conference to which you want to submit your camera ready paper. If you submit to a workshop, please select the host conference, the workshop will be listed as one of the tracks.
 - If you do not see the conference listed on the Home page, click on your name in the main menu and select [Conferences](#) from the drop-down menu, for a complete, searchable list of all ICST conferences.
4. After choosing a conference, go to Submit Camera Ready on the right.
5. Please provide the following details of your paper:
 - Title, Abstract and Keywords.
 - Co-authors of your paper (if any) and in the correct order.
 - The corresponding author.
6. FOR ALL CONFERENCES: Upload a PDF copy of your paper in the “Manuscript (PDF)” section by clicking the [Choose file](#) button.
7. FOR CONFERENCES PUBLISHING WITH LNICST: Besides the PDF file, please upload an archive file (zip, tar.gz or rar) containing both the PDF *and* the source files (MS Word or LaTeX) of your paper, in the “Source files (archive)” section by clicking the [Choose file](#) button. Please upload this *as well as* (not instead of) the separate PDF copy.

NOTE: Make sure that your PDF and source files (MS Word or LaTeX) conforms to the publisher’s formatting requirements. Failure to upload your camera ready paper in the required format(s) will result in your paper not appearing on the proceedings CD or in the digital library.
8. Accept the conditions and hit [Confirm and Continue](#).

You completed your submission

9. Your submission is now complete. You will be taken to your submission page. If you need to make any further modifications on your paper, you may do so by hitting [Edit Submission](#). Upon returning to the web site, you may find your paper by going to [My Papers](#).
